Dear Friends,

Like Advent, where we prepare for Jesus's birth at Christmas, Lent is also a liturgical season of preparation, as we get ready for Easter—the Church's greatest celebration.

And just like our weather seasons have unique characteristics, so too do seasons within the Church.

In contrast to Advent and Easter, Lent is more solemn. The sacrament of reconciliation—where we ask God for forgiveness is a healthy discipline. It's a time when Catholics discover how to confess, and the power of God's forgiveness. Lent is far too important of a season to skip over or treat like any other time of the year.

Please don't miss the opportunity to renew/restore your relationship with our heavenly father. I pray that we all have a fruitful lent.

Fr Colin and Titch 🌸
