Dear Friends,

This weekend we remember and give thanks for all the men and women who gave their lives in service of our country. When I remember, I am conscious that I am the product of 2 World Wars. During the 1st my grandfather, a Sussex farmer was injured on the Somme and was nursed by my grandmother who had left the valleys of Wales to work in London.

During the 2nd World War my father was a slave labourer in Germany arrived in England after his camp was liberated. Being unable to return home as his part of Poland was retained by Russia, hence he met my mother and here I am.

God works in mysterious ways!
